Byatts Brewery

10% OFF when ordering 3 or more cases

Based in Coventry, Byatt's Brewery produces a strong core range of bottle conditioned beers, plus a variety of limited edition and seasonal ales. Look out for their Coventry Bitter - a smooth session ale which is light amber in colour. Earthy, grassy, with hints of citrus and a lingering fuggly bitterness. This beer is amazing with fish and chips!

Maule Brewery

10% OFF when ordering 3 or more cases

Funky, bold, and vibrant. Maule strives to create new, daring, and boundary-pushing beers focusing on quality and drinkability. Family owned and with considerable brewing experience of their own, Maule's state of the art brew house is self-built and brewed their first Lucky IPA late in 2014. Their Lucky IPA delivers a sweet caramel malt body with a clean mid palate bitterness.

Bradleys

10% OFF when ordering 3 or more cases

Look out for Bradleys rebrand! Their quench range of juices are the most quaffable drinks to be enjoyed all year round. Try their interesting Elderflower and Strawberry, which combines the unique flavour of elderflower with the sweetness of fresh strawberries, best enjoyed over ice, topped with a sprig of mint.

Cidersmiths

10% OFF when ordering 3 or more cases

New kid on our block, Cidersmiths is run by cider connoisseurs Phil and Will. The two 'cidersmiths' believe that cider is part of the national heritage. With this history in mind, their Harry Master's Jersey cider is in memoriam to the vintage bittersweet cider apple raised originally by Somerset nurseryman Harry Masters in the late 1800s. A medium blend cider with a refreshing and distinctive taste. Also available from Cidersmiths: Sixpointsix cider, and Bristol Draught.

Distillers Tonic

ONE FREE CASE when ordering 6 or more full sized bottles of Gin; and buy any additional cases of Distillers Tonic on the same order at ½ PRICE

Distillers Tonic is a new premium tonic water brand for gin connoisseurs launched in May 2017. Specifically devised to pair with high quality gins, with a subtle flavour, low sugar and low carbonation, designed to deliver the taste experience the distiller intended. This tonic has been crafted as carefully as any gin and contains only natural ingredients. It is available in two versions - Original and Dry - and in two sizes - 200ml and 500ml.
