

NEWNHAM, GLOUCESTERSHIRE | CIDER & PERRY

Gloucestershire has a rich history of producing excellent apple juice, cider and perry; a heritage the people at Severn Cider are passionate about preserving.

The Bull family has been cider-making for three generations and their current range of bottled sparkling cider and perry has won first class awards in major contests. They source their fruit from local orchards in addition to their own, ensuring that apples are free of fertilisers and sprays and always preferring to use vintage varieties of fruit to hand-craft the best flavours.

### Dry Cider

Made from heritage varieties grown in Gloucestershire, this amber colour, dry, full flavoured sparkling cider is delicious on its own or with with pork, cheese and especially cooked ham.

Dry Sparkling 6.3%

### Medium Cider

Made from heritage varieties grown in Gloucestershire, this is a golden colour with full fruit flavour and very easy drinking. Superb as a relaxing drink or with a meal, especially duck, pork, ham, chicken, oven roast vegetables, fish or cheese.

Medium Sparkling 6.3%

### Sweet Cider

Ideal for those with a sweeter palate and perfect to drink on its own with with cheese and desserts, this is a golden, sparkling cider with a delicious mouth-filling sweet flavour.

Sweet Sparkling 6.3%

### Dry Perry

This highly popular, award-winning perry is light in colour, full flavoured and delicately sparkling. Made from predominantly Blakeney Red pears with a blend of other old varieties. Delicious as an aperitif or as a long, relaxing drink.

Dry Sparkling 6.4%
