

 LONDON | WATERS & SOFT DRINKS

Genie Living Drinks are a unique and award-winning soft drinks brand that combines the art of crafting delicious drinks with the science of live cultures and fermentation. Their range consists of three kombucha's and two probiotic live soda's.

All Genie drinks are vegan and contain live cultures that have been proven to survive until they get to where they are really needed: your gut. Together with plenty of vitamins, these drinks help to boost your immunity, mood and digestion. No added sugar, sweeteners, or anything artificial. So they really are the drinks we all wish for!
