

Big Drop Brewing Co was founded in 2016 by Rob Fink and James Kindred, both who had identified a distinct lack of choice in low and zero-alcohol beers. This was to be a brewery that was exclusively dedicated to making the finest <0.5% ABV beer and has since gone from strength to strength, setting the industry pace in the growing low alcohol beer market.

	Style	ABV	Case	Individual
<p><b>Galactic Milk Stout</b></p> <p>Forget the notion this is a beer style that has had its day. Instead, think of it as honeycomb covered in chocolate, because that's exactly what it tastes like: rich, unctuous and an absolutely decadent treat of a beer.</p>		<p>Low Alcohol Stout</p> <p>&lt;0.5%</p>		
<p><b>Pine Trail Pale Ale</b></p> <p>A delight for the senses, this beer delivers on all levels. Rosy floral aromas are immediate as you pour, with a light and limey citrus bite on the palate and a balanced but obvious bitterness to finish.</p>		<p>Low Alcohol Pale Ale</p> <p>&lt;0.5%</p>		

### Uptown Craft Lager

Easy drinking, full-flavoured but elegant. Light herbal and floral hop aromas, a hint of caramel with peppered spiciness on the palate and a touch of orange at the end.

Low Alcohol Lager

<0.5%

### Paradiso Citra IPA

This IPA radiates citrus fruit from the moment you pour it to the second you finish that last sip with a satisfied sigh. The bright, sharp twist of bitterness on the end makes you want to dive back in for one more.

Low Alcohol IPA

<0.5%

### Seasonal Lines

#### BST Golden Ale

A beer to brighten even the greyest of days with its appearance of liquid sunshine, gentle lemon peel aromas, a satisfying bready middle and a brisk, but not brash, bitterness – it is simply an undemanding, relaxing beer that feels like a year-round slice of summer in a glass.

Low Alcohol Lager

<0.5%

#### Double Strike Sour Ale

A tastebud-tickling Sour with a clean white grape aroma, hints of fresh white bread and almost lemon curd-like sourness. A great gateway into the world of sour beers, and, with its mouthwatering properties – an excellent aperitif.

Low Alcohol Ale

<0.5%

#### Off Piste Hazlenut Porter

We think this beer does exactly what it says on the label, the luxurious chocolate notes from the porter and the deliciously moreish hazelnut flavour combine to make this ale almost a chocolate bar in a glass, a genuinely delightful indulgence at any time of year.

Low Alcohol Ale

<0.5%

#### Woodcutter Brown Ale

This beautiful ale is malt-focused with a toasty aroma and soft grassy notes because of the light use of hops. The palate is malty with a touch of fruit and caramel. Pair this beer with something hearty like a good beef stew.

Low Alcohol Ale
